"Not only did Joan help me find the answer to a problem and challenge that I was having, she helped ME find ME." -- Dr. Felix V.

Joan Palumbo holds a Bachelor of Arts from Montclair State University and a Master degree in Social Work from Florida International University. She recently taught workshops on the best-selling book "The Secret" at Barnes and Nobles and feels her book "**The Answer**" is a successor to "The Secret". I paraphrase Ralph Waldo Emerson, when I say "What lies behind us and what lies ahead of us are small matters as compared to what lies within us". I quote him directly when I say, "The secret is THE ANSWER, to ALL that has been, ALL that is, and ALL that will ever be". Joan is a mind/body/spirit/heart Psychotherapist. She is a public speaker on a variety of subjects that are dear to her. She is a business owner of VIP Therapy that provides counseling and massage therapy. She has taken numerous courses to develop her spirituality, intuitiveness, to learn of indigo/crystal children, etc. She is a stage mother to her son, JR, age 6. She teaches a course entitled "Act, Model, Get Discovered" for those wanting to break into show business. She has an eclectic, open-minded, positive approach to life and practices what she preaches.
